

Friday 4th March

Dear Parents.

Water 'Concert'

On the afternoon of the last Tuesday of term, Puffin Class will be taking part in a Water 'Concert'. This will be a chance for us to share with the songs we have been singing with Susie during our weekly singing sessions. There will be further information closer to the time.

Art Day

We had a brilliant day with Becky last Friday. There was something to appeal to each child, whether it was messy painting, printing and sticking or exploring sensory objects do with the water theme. At the end of the day, we had a beautiful collage which is now on display in the corridor. We hope that you are able to take a look some time. We are really grateful to Becky who always come up with great ideas.

Here is a photo of the display we made:

Cooking

This week we made cupcakes. We hope that you enjoy them!

Swimming

On Monday we will have our swimming session, as usual.

Star of the Week!

★ This week's Star of the Week is Olu. Well done, Olu! ★

We hope that you have a good weekend. Please let us know a little about how your child spends their weekend in their explorer book. Hopefully we will have remembered to send the books home this week!

Mary Seaman and Puffin Class staff.
