

4th March 2016

Hello again!

This week has been great fun – we have investigated the properties of water; we have created some very delicious Easter treats (there will be more to come!); we made some super snappy play dough; we have done some fabulous phonics and some marvellous maths and we have impressed Rachel B with our top sporting skills. And those are just a few of our highlights this week. We have been, quite frankly, amazing!

We have a few dates for your diary – so grab a pen!

- **Friday 11th March** – Robins Messy Art Day with Becky (our fabulous Artist in Residence). Please send in some **old** clothes as we will be getting even messier than usual... which is no mean feat!
- **Friday 11th March (pm)** – FOLS (Friends of Larkrise School) afternoon tea (with cake!) and book signing by top author and PE teacher Rachel B!
- **Tuesday 15th March (am)** – Horse Riding. If your child is going horse riding then please make sure they have a pair of wellies; an old pair of trousers and a warm coat in school each Tuesday from 15th March. PLEASE make sure all items are clearly named!
- **Friday 18th March (am)** – Sports Outing to John of Gaunt School in Trowbridge to take part in some sporting activities that have been arranged for us by some Young Leaders of sport. It sounds like excellent fun.
- **Tuesday 22nd March (pm)** – Water Aid Concert and Easter Tea. Robin Class cordially invite you to partake in an Easter Tea (with cake!) followed by our school Water Aid Concert which aims to raise money for those who are not fortunate enough to have access to adequate, clean water supplies.

March is busy, busy, busy! But there are at least 2 opportunities to come and eat cake, so make the most of it! Hope to see you there! Have a wonderful weekend! 😊

Rachel
