29 APRIL 2016

DEAR PARENTS & CARERS

What a busy week we've had!

We are very pleased to have Laura back in class with us every afternoon. We have missed her. Welcome back Laura!

On Wednesday morning we went into the hall for P.E. which is always a good session. It allows us to focus on body awareness, communication and interaction as well as motor /physical skills. At the end of the session we all love the silk parachute being raised and lowered over us. It is very calming.

We were very pleased to do Food Technology earlier in the week and made a 'Cold War' juice using our newly acquired Juicer machine! The ingredients we used were—carrots, oranges, fresh ginger and garlic. I'm not sure it'll be one of our favourites but it did taste very healthy!

Individual Tasks from the Profound Curriculum also started again this week and so we are busy, busy, busy!

PLEASE DON'T FORGET THAT IT IS A BANK HOLIDAY ON MONDAY

Have a great weekend, from Mandy, Karen, Tracey, Sharon, Emma, Laura & Lesley
