

24<sup>th</sup> June 2016

Hello!

It's been, quite literally, a whizzy week! We took part in the whole school Wheel-a-thon on Tuesday. We wheeled our way to Rio – at least I think we have! Rachel hasn't told us yet... the big reveal is in today's assembly. My prediction is that we will have reached Rio and then gone beyond! The rate we were all wheeling away, we've probably reached somewhere in Argentina – that's how well we wheeled! A big thank you to you all for all your sponsorship. You are all heroes!

We also had a wonderful time on Wednesday at a circus skills workshop. We had a great time spinning plates, balancing beanbags and throwing and catching scarves. The children all absolutely loved it and they were very keen to tell everyone all about it for the rest of the day! It was fantastic!

This week, for our cooking, we hopped in our class plane and 'flew' to Copenhagen, which I was very pleased about this meant we had to cook Denmark's most delicious food – Danish pastries! Yum yum! The children used their rolling, chopping and scooping skills to create little Danish pastry masterpieces! They were magnificent – we hope you enjoyed them!

Next week our adventures continue as we are off to Clarendon School on the 29<sup>th</sup> for our whole school sports day. More details to follow!

Wishing you all a wonderful weekend!

Rachel
