

# Owls Newsletter

Friday November 4th 2016

A fantastic week!  
Emma visited Owls on Tuesday morning and will be joining us for a music session at that time for 12 weeks. Owls loved the singing and her guitar. An amazing pantomime experience with the story of Sleeping Beauty was inspiring, engaging and motivating. Owls were completely engrossed in the performance. Owls visited Palmer Garden Centre and noticed that Christmas was on its way! Some pupils were able to use the ipad and the go talk programme to order at the café. The young man behind the counter complimented us on our use of technology. He said he would like to have a look how it works.....  
Owls are leading the way!  
Lovely community interaction as many of the community observed Owls ordering at the counter and waiting for their drink/food.

**I am very happy to let you know that Amanda has returned to Owls staff team and will be covering Natasha's hours. Amanda worked in Owls class last year and know the pupils really well. She will be in class every day apart from Wednesday afternoon. I have sent new timetables home and there is just a slight amendment as on Tuesday morning at 9:30 we have music for the next 12 weeks.  
Thank you.**

**Have a lovely weekend!**
