

GILL LOVELL—TEACHER

- Dates for your diary:

Monday : swimming with Siobhan Cheadle as I have my PPA time and walk to park in the afternoon. Larissa (ABA) will be joining us.

Tuesday: am Horse riding
pm Yoga and music with Aimee and Susie as I have time to support my old class Finches.

Wednesday am : no café

Saturday 26 November 11-2 Fols Christmas Fayre we will have a class stall.

Best wishes for a lovely weekend, - Gill, Jess, Tash, Maria and Ange and Becky our MDSA

Don't forget to keep checking our school website for lots of info and links to useful sites.

Penguins newsletter

Learning to communicate—the place to start... 18.11.16

This week we have mostly been practicing our skills for coping with last minute change! Riding cancelled at last minute, minibus fail just before we were due to go out to the cafe..but I have to say we have been very flexible ... so some timetabled activities have changed days this week. The visual timetable and our increasing use of now and next strips really does seem to help. Well done Penguins!

We have been learning our new version of " The mouse that ran up the clock"...in our version he catches the flu, hears a bee and even goes on holiday to Devon...lots of props and switches with sound effects. We are wondering if a real mouse will feature soon?

In cookery we worked on our spreading skills again by spreading meat paste on toast—according to the Penguin poll 5 out of 7 children like this!!!

Aimee commented on Tuesday about how lovely the Yoga session was and that children really listened and relaxed well..

In art this week we did printing by choosing colours and scraping patterns into the paint on the table—~~paper pressed down~~ created the print

Owen did well, coming back to the table several times to explore more and create subsequent prints. Rhiannon and Olu impressed in maths with counting and taking turns to come and pop balloons on the interactive screen. We will explore more counting by creating flour (mud) pies to splat as we count in choosing time too.

Rossi and Millie had a lovely PE lesson—we are using some Sherborne Movement ideas and they loved their blanket slides across the hall floor.

We have celebrated many moments of success in the bathroom this week too...in particular, Richard has enjoyed a celebration dance! Unfortunately, Jaxon has had a bit of a tough week and we hope he is feeling better.

What I have been hearing about ...

FOLS Christmas Fayre 26th November 11—2

Penguins will be running a Christmas Present Tombola and Penguin tumble game. We welcome any items we could put on the tombola as prizes. ...ideas such as : toiletries/ boxes of chocolate or toys which we could wrap for Christmas presents or smaller items that could be stocking fillers. If you have anything please send in as soon as possible so we can see what we need to sort in advance of the day. Thankyou for your support. We aim to raise funds so we can set up some sensory explore stations in our playground.

THANK YOU FOR YOUR SUPPORT WITH CHRISTMAS CHILD BOXES_ OUR CLASS MANAGED TO CREATE 3 BURSTING FULL BOXES AND SCHOOL DELIVERED THE SE WITH THE REST OF OTHER CLASSES TO WILTS TIMES.
