

24th February 2017

Hello!

I hope that you all had a fabulous half term – it certainly shot by!

Our topic this term remains 'The World Around Us'. We will be having fun looking for signs of Spring emerging, so we'll be monitoring buds, blossoms, butterflies and bees, amongst other things, as the weather gets warmer. There are already some very lovely little snowdrops growing in the top end of the playground – if they haven't been blown away by storm Doris!

We will be reading all about a certain Hungry Little Caterpillar, who I am sure you are all familiar with! We will be thinking about the life cycle of the butterfly, patterns and sequences, expressing opinions and asking questions. We will also be doing a spot of gardening, as well as celebrating the Christian festival of Easter and the Hindu festival of colour – Holi.

We also have some exciting events scheduled – World Book Day is next Thursday. The school is holding a 'Dress Up as Your Favourite Book Character' day (2nd March) – so pop your thinking caps on! All proceeds will go to buying books for our school library. There are also plans afoot to celebrate Red Nose Day on 24th March, and on the 6th of April FOLS are holding an Easter Fun day in order to raise lots of money to buy lots of lovely things for the school! Pop the dates in your diary – it's going to be a busy term!

And finally, if possible, please can you send in wellies and wet weather clothes for your child (all clearly marked with their name!) as there are some very exciting puddles in the playground at the moment and it seems a shame not to be able to splash in them even a little bit!

Thank you! Have a wonderful weekend.

Rachel 😊
