

31st March 2017

Hello!

Firstly, a big thank you for all your contributions to our Red Nose Day celebrations. We had a great day. Our funny assembly was great, our funny faces were marvellous and the school sold out of Red Noses! It was a very fabulous day!

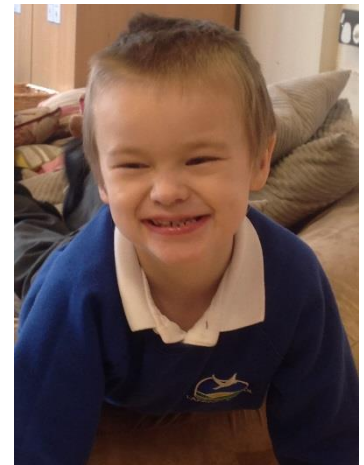

This week we have enjoyed a visit from some excellent musicians from the Music in Hospitals programme, who provide live music concerts for people, in any setting, who receive treatment for illnesses or disabilities. They have arranged concerts for us in the past from all kinds of musicians, ranging from a harpist, to a soprano singer to a didgeridoo player! This time they sent us a talented trio of folk musicians who played the flute, violin and double bass, and they treated us to a variety of traditional music and songs from all around the world. It was beautiful and the children loved it.

Next week we will be doing lots of Easter activities. There is an Easter Fun Day on Thursday 6th April organised by the lovely people of FOLS. It sounds like we are going to be getting up to all sorts of great things. We are have been given an Easter Bonnet to decorate for a competition between the classes. I am sure Robins Class will come up with a stunning design, worthy to be worn at Ascot!

We have already made a start on our Easter celebrations by making chocolate Easter Nests yesterday. We will enjoy them for afternoon snack today. Nom-nom!

Have a wonderful weekend!

Rachel ☺

**Robins Class wishes
everyone a lovely
weekend!**
