

Subject: Invitation to Film Premier on May 13th at 11.30am

Dear all

I hope your children have enjoyed working on the One Moment in Time Film project! I have had some sneak previews of the films that have been being made and they look fantastic!

We are holding a Film premier of the 6 films that have been made on Saturday May 13th at 11.30am at The Mead Community Primary School -after the 6 films have been shown their will be a short award ceremony and members of your teams will be invited to be interviewed in our TV studio about their film and the experience of making it. It would be useful if you could talk to the children and decide who might like to be part of this interview so they are prepared.

The Film Premier will be part of a community event with many free activities, workshops and entertainers families to enjoy. You can find out more at our event website www.onemomentintimeday.wordpress.com. All the children and families from your school are invited to take part in this free event which runs from 11am until 3pm.

We would be thrilled if the children who were involved in the film and their families could join us for the Film Premier. Please could you invite them to attend on our behalf? Please do not hesitate to contact me if you need any more information to include in your invitation.

Looking forward to seeing you on the 13th

Mel
