

Friday 26th May

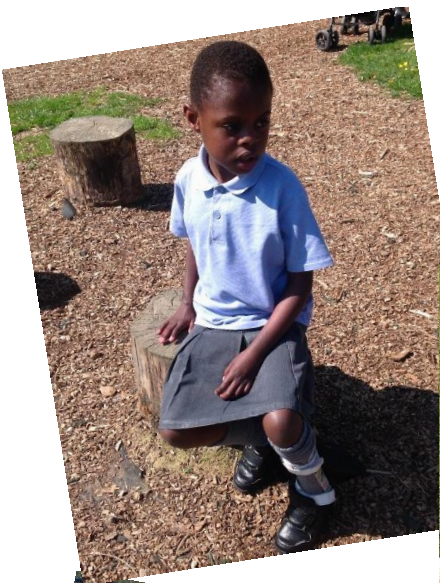

Dear Parents

Important Dates

Monday 5th June
Term 6 begins. Please send swimming kits and permission slips, if not already returned.

This Visit to Hope Nature Centre

We enjoyed our visit to Hope Nature Centre yesterday. The children were able to stroke some of the animals and also had fun in one of the play areas. I have posted photos on your child's story on Class Dojo, but here are some more:

Sensory Area

We now have some fake grass on the floor of our sensory area. We have made some collage flowers this week to go on netting up one wall. We also have some garden tools and a watering can. We will be making some butterflies and bees to hang from the grid above the area. The children will be able to role play gardening.

Can you help?

Swans class are making a sensory walk which all classes will be able to visit soon. They have asked if anyone has any old colourful wellington boots they could have to plant flowers in.

Star of the Week

This week's Star of the Week is Alex.

Alex will be able to take Ben, the bear, home for the weekend.

We hope that you have a lovely half term break.

Mary Seaman and Puffin Class staff.
