lots of fun!

The YST 'Rainbow Shower Event' 2017

The Youth Sport Trust, Fairfield Farm College & Lavington School have teamed up to offer your pupils the opportunity to take part in a free event which has been inspired by using colour to get active!

You are invited to bring up to 20 children of any age & ability with additional needs. You need to book your places & t-shirt sizes by Fri 30th June. We have 150 places & these will be allocated on a first come first served basis!

Upon your arrival you will need to register & collect your school's starter pack. This will include a crisp white t-shirt, a pair of protective sunglasses & a colour pouch for each pupil.

We will have three main areas for pupils with different needs to explore & enjoy:

- 1) The 'Follow the Rainbow' Course : students can run, walk, wheel around an accessible marked route. On the way they will visit colour stations where our Allianz Volunteers & Sports Leaders will gently spray the students with soya paint. Everything is bio-degradable & safe.
- 2) The 'Power Shower' Cubicle : this will be a fully enclosed area where students can move safely & freely without needing to be fully supervised. This area is aimed at pupils who would find following a marked course challenging but would still enjoy the sensory side of coloured clouds!
- 3) The 'Rainbow Spa': this fully enclosed area will allow 'quieter' students to relax & enjoy the feel of paint & bubbles. They will be encouraged to engage with the Allianz Volunteers & Sports Leaders but in a more genteel environment.

At the end of the 'Rainbow Shower Event' every pupil will receive a medal & will of course be able to keep their newly coloured t-shirt & protective glasses!

Please contact me if you have questions or queries. If you are still not sure what this event may involve, take a look at this clip on u-tube:
