Dear Parents & carers

P.E. - dancing

Autumn Art Day

Cause & effect

What a lovely week we've had. Penny & Anne organised various activities for sukkot - yesterday we made a fruit punch which, despite it's appearance, was delicious! We also joined in some Israeli dancing with Robins & which was fun. Yesterday we had the most amazing art day with Becky. The hall was transformed into an autumnal paradise. The children experienced and explored a vast range of items and objects, many from natural sources. The children and staff had a wonderfully chilled time; plus, lots of learning took place. 🍂

Please don't forget that it's Parents evening next Tuesday. I'll see you in class or if you're unable to come in, I'll chat to you over the phone if another time can't be arranged.

Have a lovely weekend. Mandy & Bluebirds team

Stickle bricks for Christmas please!!
