**This week in Puffin Class**

We have had another busy week in Puffins. On Monday some children went shopping while others stayed at school to interact with a performance by theatre company, Bamboozle, who specialise in performances for children with special needs. These performances suit those children who are able to sit for up to 45 minutes and consequently are not suitable for all children in Puffins. The performance was set in the US during the dust bowl era, and included tactile, visual and auditory aspects.

**Colour topic**

This week we made bananas in custard as the week's colour was 'yellow'. We also made a yellow collage for our colour display.

Next week's colour is green. If your child wants to wear something green on Monday, they are welcome to do so.

## Parents' Evening

You should have received your appointment times for Parents' Evening. If you have asked for appointments with any of the therapists, these will follow.

### Class Funds

We are again collecting class funds which pay for extra snacks and cooking ingredients.

This term class funds will be £5 up to half term or £11 up to Easter. If you want to pay weekly, that will be fine. *Thank you, if you have paid already.*

### Star of the Week!

This week's Star of the Week is Stephen who will be able to take Ben, our class bear home for the weekend. Well done, Stephen!

We hope that you all have a lovely weekend.
