

12th January 2018

Hello and Happy New Year!

I hope that you all had a wonderful Christmas – even if it does already feel like a long time ago! A big thank you to you from all of us in Team Robins for all your kind Christmas gifts and good wishes – we were very touched by your kindness and generosity. Thank you very much indeed!

This term our topic is 'Colour' and we will be exploring the rainbow! We will be experimenting with mixing colours, choosing colours and sorting colours. We will also be exploring different coloured foods and colours associated with different tastes. We'll be thinking about the weather and the colours of the seasons – which at the moment is mostly grey and rainy! We will be doing lots of work around the story of Noah and making sure all the animals get safely onto the Ark before the rain comes!

And we will of course be doing some celebrating! This term we will be celebrating the Chinese New Year and welcoming in the Year of the Dog. After half term, we'll be learning about the super colourful Hindu festival of Holi and the Christian festival of Easter. It is going to be a lot of fun!

As we are thinking about Noah and the weather, and as the weather is generally a bit rainy, it would be great if we could do a spot of puddle jumping! Please can you send in some wellies and some waterproof clothing for your child (with their name in!) so that we can explore the puddles up close! We are going to have a splashing time!

I am really looking forward to a fabulous Spring Term with all our lovely, lively, little Robins!

Have a wonderful weekend!

Rachel

P.S. On Monday our Colour of the Week is orange! If you can, please send your child in wearing something orange – socks, hairbands, hats, scarves, bags, badges... anything you can find!
