

# Swans Weekly News

Friday 23<sup>rd</sup>  
February

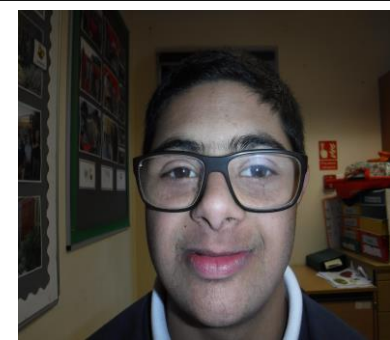

This week Dan from Bath Rugby returned to continue our sports sessions. I have been amazed by the reaction of our children to this sport, they all love it, and their ability to carry out the challenging tasks that Dan sets for them. He a certainly been an inspiration to all of us.

What's happening next week?

Our final Travel training session for this year.

Putting order for Dance Festival videos. **(If you want one, we need the money by next Friday please)**

This week's Class Star.

This week has been very sad as we have lost one of our students who has been with us for many years. On Monday afternoon we carried out bereavement session to explain to the student about what had happened, how we felt and answered their questions as well as we could. Throughout the week student have made reference to Arnie and again we have supported them to try to understand the concept, which is a part of life.

Regular reminders

Class funds £2 per week to cover juice, local trips and any cooking/craft work.

Swimming every Monday morning (full swimming kit and shower kit required.)

Horticulture/College trip (old clothes and long trousers required in a labelled bag please)

PE every Wednesday (full PE and shower kit required)

Many thanks and have a great weekend

Anne and the team.
