Hello Everyone
We finally were able to get to the pets at home store and to Mc Donalds. We met a kitten and owner that we knew and saw lots of animals in cages in addition to dogs coming in to be clipped. In Mc Donalds we met someone's Grandma! Now that was a surprise! Owls enjoyed the atmosphere and snacks but it was a bit of a squash. The staff were very helpful and supportive. We have enjoyed taking part in the PE session with all the young ladies in their walkers and work with the PAT dog is always fun! Owls teams for the world cup are Spain and Egypt! Oh dear! Sports week and healthy eating next week..... Lots of fun planned. Have a good week-end!
