Wrens Class Newsletter

Hello Everyone!

We hope you've all been enjoying the football ... or have managed to do something nice whilst it was it on! Wrens will be supporting England and Poland as they were the teams we drew in the school sweepstake.

This week we have been printing with paint and sponges, counting and combining sets using numicon, exploring quantity through sand and water play and developing our social skills in the sensory room and through using Larkpac.

Next week is Healthy Week at Larkrise. We will be very active and participating in lots of different activities such as on a bouncy castle, new-age kurling and an obstacle course. There will be a raffle where the prize is a basket of fruit and vegetables. The tickets are £1 so send in money if you would like some. There will also be a Healthy Café on Friday afternoon where you can taste some delicious healthy food and buy some healthy treats.

Next week is meant to be really hot so please make sure your child has sun cream on before they come to school. We will then top it up later.

Have a fantastic weekend!
