

14th September 2018

Hello!

I hope that you all had a fantastic summer – it certainly seemed to fly by! It's been great to welcome my lovely Robins back and seeing how much they have grown! It's also been great to be welcoming some lovely new Robins and their families into the class, and we look forward to getting to know you all over the coming year.

I have to say, we have got the term off to a cracking start. The children have all settled into the new school year and we are having a lot of fun. This term our topic is 'All About Me,' so we will be thinking about making friends; sharing, and play skills. We will also be thinking about our senses and doing lots of sensory play – (apologies about the mess, in advance!) We will be learning about our likes and dislikes as well as expressing opinions and our feelings... we are going to be very busy!

Plus! We are getting ready for our Harvest celebrations, so we have been exploring lots of vegetables this week. We have created our own little veg patch for the children to dig in and harvest lots of lovely vegetables. We have also been practising our harvest songs and our chopping skills. We have had a great time chopping tomatoes and cucumber, which we used to make sandwiches, along with a bit of cheese for extra yumminess! And we have even used our veggies to do some printing with, so we have been very busy this week!

Our swimming and PE days remain the same this year. Everyone is swimming on a Monday; either at Clarendon Pool or in the Hydro Pool, so we all need our swimming kits in school on Mondays! PE sessions are on Tuesday mornings and are being taken by Miss Cheadle, our Deputy Head.

Finally, everyone in Team Robins would just like to say a HUGE thank you to you for all the very lovely end of term gifts that you showered us with before the holidays. We felt very loved and we really appreciate your support and generosity.

Wishing you all a wonderful weekend.

Rachel
