Country dancing

We've had a great week.
Lots of WOWs.

Our All About Me session is proving to be very successful - we work on meeting and greeting our friends, looking at our own image in a mirror and awareness of our body, using The Body Song and Head, Shoulders, Knees and Toes. We love the Singing bear reward at the end of the session. Back in class we are able to change our appearance by trying some different 🎩 hats on.

We loved the gorgeous photographs that Jessica took of the children last Friday. If you'd like to put an order in, please return the proofs and the ££ in an envelope and return to us by Nov 5th.
Thank you.

Have a jolly weekend.
