### This week in Puffin Class

We have had another busy week. The children enjoyed trips to Trowbridge Park and Fairfield College Café and behaved well. In art the children made collages of bowls of porridge to go with the bears they painted last week. The children brushed glue inside a bowl outline and covered the glue with porridge oats.

### Parents' Evening

Thank you for sending your requests back quickly. I will be sending home your appointment times today.

### Autumn Activities

We have been collecting conkers for autumn sensory activities such as Attention sessions. We could really do with some acorns, fir or pine cones and autumn leaves. If you are able to collect some for us and send them into school, we would be really grateful. Thank you.

This week's photos show the children taking part in art or writing and mark-making.

### Star of the Week!

Our star of the week is Stephen, who has had great week. Stephen will take Ben, the Bear home for the weekend.

We hope that you all have a lovely weekend.
