

News Letter created by Sue Eyers - Forest School Lead

8th January 2019

This was Robins 1st Forest School Session "Exploring New Environments"

The boys created a set of pictorial rules for them to use during their Forest School sessions to help keep themselves safe whilst being outside. They then took an active role in retelling the story "The Secret Path" before decorating their own chosen stick with coloured wool and feathers. It was then time for free time activities where they chose to explore the soil. To end the session they said what they enjoyed doing the most... 2 playing with the soil, 1 playing with the soft toys from the story.

Percy and the squirrel went into the maze laying a trail of string.

They found the woodland animals hiding in the maze. When they went to leave

The string was gone . . . rabbit had taken it.

They found a centipede and some seeds starting to grow.
