We made it! 15/02/2019

I know I say it absolutely every term without fail, but this one truly has whizzed by! We have been super busy following the Christmas holidays and have been treated to sun, snow, wind, rain and everything else in between. This term has seen excellent progress across the board, primarily in yoga, communication and the use of PECS. Behavior has been top notch and we have been fortunate enough to have some excellent community visits, which is ace!

Anyway, about this week! Monday swimming fun swim, so the pool was filled with floats, pool noodles, toys and baskets. The children love fun swim and it's lovely to see them explore space on their own agenda and, ultimately, take a small break from all of their hard work. Following swimming, we had a music session using the speakers and some CDs, which Richard thoroughly enjoyed!

Tuesday morning was the very best yoga session we have ever had! Carter and Emmanuela pulled it out of the bag and copied movements with minimal to no support! Amazing job guys! We finished

Olivia is our Penguin of the week for excellent behaviour, engagement to tasks and walking to the shop! Well done Olivia! Olivia also had a brilliant tea at Canons House!

The morning with a joint counting session to round off our topic of number. The afternoon saw Sheila make Valentine's day chocolates and baskets, which we really hope you enjoyed!

Wednesday was communication and larcpack in the morning followed by sensory room and literacy in the afternoon! We turned on all the lights, bubbles and took the blankets in to have a total chill session, which was very much enjoyed! Thursday saw our walk to Tesco to collect our shopping followed by science in the afternoon. The class love the gym balls and bouncing/rolling!

Friday was our trip to the café followed by P.E, choosing and reward assembly. Have an excellent weekend!
Dan

What I have been hearing about ...

Thank you all for the swimming permission and money, you are super organised and efficient!

Spoiler alert!

A big heads up for you all, next term we will be horseriding again! This won't be until the second Tuesday of term and permission slips will be making their way to you on the first week back. As you can imagine we will need warm clothes, wellies, gloves and anything else you think your child may need! Thanks a lot!
