

# Owls Newsletter

1/3/19

Hello Everyone,  
 Back to school and everyone seems keen to be back and get into the swing of things again. Four more weeks of task work until I re-view and set new targets or continue to develop existing ones. Owls are all making progress in line with expectations in most areas and some pupils are astounding us with their development of skills and acceptance of new challenges. We have begun our dance sessions this week with Katie. On Tuesday we made chocolate chip cookies which were enjoyed by all!

Please could you send class funds into school for this term. Thank you. Have a good weekend.

Janine and Owls staff team
