Friday 5th April
TD DAY

This week in Puffin Class.

Last Friday we had a lovely Red Nose Day. Thank you for the money you sent in so that your child could wear red for the day. I will let you know when we have a grand total for the school. We enjoyed dancing in class with disco lights and other props led by Katie, the dance teacher.

On Monday we went to Tesco for supplies. Afterwards some children went to an interactive performance given by Bamboozle, who usually visit once a year. We were only given three spaces, but the performance wasn't suitable for all children in the class, so the children who would benefit the most went.

On Tuesday afternoon we made Easter biscuits. Unfortunately these turned out badly and weren't good enough to send home.

They were very crumbly and fragile but tasted fine. The children were all able to taste the 'fragments' in class though. Some really liked them!

On Thursday afternoon we made space sensory bottles during our art session. See pictures attached. The children chose either blue or black food colouring, poured in water and added gold glitter and sequins.

Socks!

This week we have struggled to assign the correct socks to each child at the end of the day. We have a lot of part time staff and have had staff covering absences every day due to sickness as well. Socks come off some feet frequently during the day and get separated from shoes. Most staff won't have seen which socks the children were wearing when they arrived so we have to guess. I am sorry if we get it wrong sometimes, but there seems to be a large variety of styles and colours in Puffin Class. Thank you for your patience and understanding (we are trying to write down each child's sock colours when they arrive where possible)!

Star of the Week

This week's Star of the Week is Jake, who has had a good week. Well done, Jake, for working hard this week!

Best wishes for a lovely weekend.
