

Friday 8th March

Dear Parents and Carers

Dates for your diary

Thursday 4th April
Last day of Term 4.

This week in Puffin Class.

We have had another busy week in Puffin Class.

On Monday afternoon we walked to Sainsbury's to buy food items for snack times and cooking. This week everyone walked well and we managed to go to Susie's music session as well.

On Tuesday afternoon we made pancakes using gluten free flour and coconut milk with eggs. They turned out well! The children chose strawberry or toffee sauce to go with them.

Wednesday morning was our Fairfield College Café visit as usual, and we had our PE session in the afternoon.

Arts Day

We enjoyed our Arts Day yesterday which involved activities with a Lunar/Space theme. We took part in music making using percussion instruments to go with space images on the screen in class. Later we had another music session which involved iPad apps, keyboards and a further variety of percussion instruments. This afternoon we had a lovely exploration session with Becky in the hall with dressing up as astronauts, the Magic Carpet (space theme), and lots of light up and shiny things to investigate. Finally we had a sensory story in class where we went to the moon in a rocket! It was a busy day!

The attached photos were all taken during the exploration session with Becky.

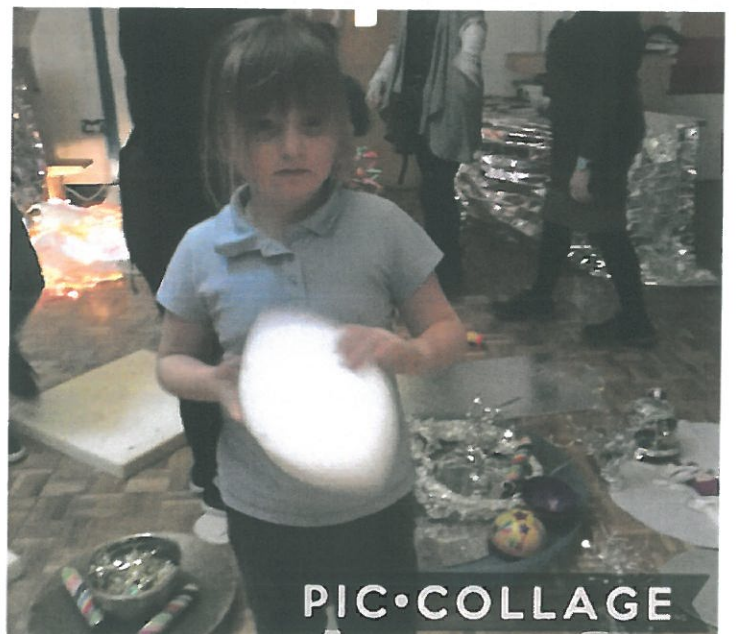

Star of the Week

This week's Star of the Week is Stephen, who has had a good week. Well done, Stephen, for working hard this week!

Best wishes for a lovely weekend.

Mary Seaman and Puffin Class staff.
