

Wrens Class Newsletter 22nd March 2019

Hello Everyone,

This week in Wrens we have been very lucky to have had a delivery of caterpillars. We have been watching them carefully as they have been growing. We are looking forward to seeing them turn into butterflies. We will keep you updated!

This week we have been learning the story of 'Supertato!' It's all about a potato who is a superhero and his battle against the evil pea. As part of this topic we have printed with vegetables, mashed evil peas, made saltdough vegetables and had a class vegetable shop. The children have been working hard exchanging money for vegetables and exploring different food.

Next week some of the children are attending a cricket festival. If you have had a letter please send back the permission form on Monday.

Next week we will be planting potatoes and watching them grow over the coming weeks. We will also plant some magic beans!

Have a lovely weekend,

Wrens Class Team
