

## Wrens Class Newsletter 26<sup>th</sup> April 2019

Hello Everyone,

We have had a lovely first week back! We hope you all had a fantastic break and enjoyed the super sunny back holiday weekend.

We are pleased to tell you that all of the caterpillars turned into beautiful butterflies during the Easter break.

We have a new topic until July which is Fantasy. In Wrens we will be thinking about traditional tales. This week we have thought about the story 'The Enormous Turnip'. The children have been acting out the story and practicing pulling hard on a large turnip that would not budge!

We had a maths and design technology day on Thursday. As part of that we had a multi-sensory art session. We explored salt dough to make vegetables, looked at fresh vegetables, and have been trying to make the biggest enormous turnip in Larkrise!

We are now collecting this terms class fund. As it is a short term we are asking for a donation of £5 per pupil. If you have not sent in sun cream please do so asap. We are hoping for lots of sun this term!

Have a lovely weekend,

Wrens Class Team
