

# Bluebirds Newsletter

Friday 17 May 2019

## Dear Parents & Carers

*It's been another busy week for Bluebirds. We started off our week by trying our Sensory Trail which goes through the upper school playground and finishes up in the sensory garden. It is a wonderful activity using all of our senses. It was not manageable as a whole class though so we'll split up and take turns to go.*

## Our Sensory Trail

## Our Treasure Hunt

*The hydrotherapy pool has been repaired 😊 and we have been able to use it this week. We try our very best to make sure it happens when we have our allotted slots - 3 per week but sadly it's not always doable.*

*High Five between friends!*

*It has been so lovely meeting you all for 'Parents evening' this week. It is always good to share your child's progress and wee moments with you. Thank you all for your continued support.*

*Have a lovely weekend.
