

# Owls Newsletter

26/4/19

Hello Everyone,  
Welcome back after the Easter break  
Owls.  
We have been watching the Enormous Turnip story starring Mr Cook and staff from school and comparing, measuring and exploring vegetables that we then turned into soup!  
Our turnip wasn't enormous but lots of pupils in school had the challenge to make large models and Owls also enjoyed the sensory story.  
Lots of lovely exploration both in class and in the hall with Swans class.  
We also were able to experience the park on Tuesday morning with Swans class and it was certainly great to get out into the community again.  
I believe it is raining next week but we will aim to go to the library.  
Please could you send money to buy a snack/drink.  
Have a great week end.  
Janine and Owls Team
