Hello Everyone,
 Some Owls were invited to the performance from Bamboozle on Monday and enjoyed an interactive ,fun experience. Many thanks to Susie who works hard to secure funding and organise these experiences for Larkrise. The PAT dogs were back too and providing a great sense of fun and encouraging communication!
 We enjoyed making chocolate brownies on Tuesday and lots of time has been spent concentrating on our Profound Curriculum tasks. I am really pleased how Owls have worked on their tasks and I have noted some really great achievement taking place. New or adapted tasks will be in place after the Easter.
 Great work Owls!
 Have a good weekend.
