Dear Parents & Carers

We had our own fire and firework display in class on Tuesday!

Welcome to Term 2. I hope you all had a good half term. It is an exciting term for us as we have, not only all our usual activities, but lots of festive ones to look forward to as well. Next Friday we have a music concert in school, delivered by 'In at the Deep End' ensemble who are made up of musicians from Bournemouth Symphony Orchestra; how exciting.

Yesterday, our sound board session was great fun. It was lovely to see that the children remembered the session from last term and anticipated some of the stimuli within in. The slip, sliding polar bear was a particular success as was the star parachute at the end of the session.

This week we have seen lots of wows and we are constantly being reminded just how amazing Our Bluebird children are 😊
