

Swans Weekly News

*Friday 22nd
November 2019*

This week our life skills group continued to learn about the dentist and sequenced the pictures of a dentist appointment. We also continued researching garden centres around Wiltshire and themes that they have at Christmas. We have enjoyed practising for our Christingle and rehearsing our Christmas Carols.

This week our KS4 group have been learning about various types of energy and how it can never be created or destroyed, only transferred. We carried out the marble experiment and investigated ways to make the marble travel along the ruler. We also did travel training to know how to cross a road safely and who helps us to do this. In information technology we researched our different communities, using the iPads and PC.

Important Information

Please can you bring in some bottles for our bottle tombola stall in preparation for the Christmas fair.

Please also if you have any unwanted clothes for our 'Rags 2 Riches' appeal, please can you send them into school.

Many Thanks

Have a great weekend.

Georgina, Anne and the Team.

Regular reminders - Please can we have;

Either £2 per week or £12 at the start of next term please, for class funds to cover juice, local trips and any cooking/craft work.

Full swimming kit and shower kit please for swimming every Tuesday morning.

Full PE and shower kit for PE every Friday please. Thank you very much.
