Friday 13th
December 2019

This week our life skills group continued to learn about things that we buy in a garden centre. We have been thinking about another different way we can care for our teeth by flossing. We enjoyed rehearsing our Christmas song for the Christmas performance. We also made coleslaw as part of our healthy snack. We have had lots of fun making Christmas crafts.

This week our KS4 group have been continuing to learn about electricity and exploring different experiments using tinfoil, bulbs and batteries. We enjoyed our last trip to farm this year but will visit again in the New Year. We have also had lots of fun making Christmas crafts and practising for our Christmas performance.
