

Swans Weekly News

*Friday 31st
January 2020*

This week our life skills group planned a route to the local DIY shop. We continued to look at how to wash different clothes and that all clothes have labels with different symbols. In horticulture we made some bird feeders. We practised hanging out washing and more rugby techniques with the Bath Rugby coaches. During food tech, we made a vegetable stir-fry with rice to sample.

Important Information

Please remember PE kits for our rugby sessions on a Friday.

Clothes for the farm for KS4 students.

Our KS4 group investigated reversible and irreversible in science this week. We tested different foods by heating and cooling them to see if they could go back to their original states. We enjoyed our session at the farm where we held the chickens and small pets.

We also had our travel training and continued learning about exposing of waste in horticulture and using equipment safely.

Have a great weekend.

Georgina, Anne and the Team.

Regular reminders - Please can we have;

Either £2 per week or £12 at the start of next term please, for class funds to cover juice, local trips and any cooking/craft work.

Full swimming kit and shower kit please for swimming every Tuesday morning.

Full PE and shower kit for PE every Friday please. Thank you very much.
