

Owls Newsletter 7/2/20

Owls have been to the Tescos cafe and really enjoyed social time and making choices. The choices made are never predictable and highlights how important it is not to make any assumptions. Owls are able to communicate very clearly their choice given the time. Tescos are always very accommodating as we encourage all pupils to take part in the process of choosing and paying for their food or drinks.

Jacob participated in a new age kurling event this week and was placed second. He will take place in the next round on March 20th. Well done! ★★☆☆
