

Swans Weekly News

*Friday 7th
February 2020*

This week our life skills group visited B&Q and found lots of things on the checklist to tick off. We also bought some paint, brushes and sandpaper and paid for them at the till. We sorted different dark and white clothes into the correct piles before we washed them in the washing machine. We enjoyed our last session with the Bath Rugby coaches today.

In Science this week, our KS4 group investigated different types of heat and sorted them into different categories. We researched how to look and care for different pets at the farm and fed and groomed them again this week. We enjoyed our last session of rugby this week and played a game of rugby with the coaches. We had fun doing yoga and finished the session with a dance. We also continued to look at a balanced diet.

Important Information

Please remember PE kits for our PE sessions on a Friday.

Clothes for the farm for KS4 students.

Have a great weekend.

Georgina, Anne and the Team.
