Dance festival

14/02/20  
Last day of term

24/02/20  
TD day

## New Age Kurling

Four children from Toucans class joined some of the Parrots and Owls at a New Age Kurling tournament at John of Gaunt School. They did really well and two members of our class have gone through to the next stage!

## Soft Play

Thank you for the Soft Play payments. We are still waiting for some payments towards lunch. If you have asked for a hot meal rather than providing a packed lunch this is at an additional cost to the entry fee.

This week we have been continuing learning about different materials. We investigated whether materials were waterproof or not and also developed our understanding of the vocabulary hard, soft, shiny, stretchy, waterproof and absorbant.

We have also been learning about fractions in maths which the class have really enjoyed and shown fantastic progress. We have learnt about wholes, halves and quarters of shapes and quantities.
