

Friday 11<sup>th</sup> March

Dear Parents.

It was good to see all of the children back this week after a week of absences for different reasons last week! Fortunately none of the staff were affected.

### **Water 'Concert'**

There is still plenty of time to let us know whether you are coming to the Water Concert on the last Tuesday of term. Puffins will be taking part with Penguins and Bluebirds (as for the Christmas performance). We will be singing songs which we practise with Susie each week during Primary Singing. The format will be similar to the Christmas performance.

I will also be showing a Powerpoint presentation with more photos taken during our water art day two weeks ago.

### **Cooking**

This week we made Easter biscuits. We made two lots of mixture: one lot which the children could explore at each stage; and a second batch which was used to make the biscuits. We hope that you enjoyed the biscuits which we sent home yesterday. The cutters which we used were sheep but did not keep their shape!

## **Café Visit**

Next week will be our last visit of the term to Fairfield College café. We hope to continue to go there after Easter when the weather may be good enough for us to explore the animal trail. During the last week we will be visiting Junction 21 soft play centre. I will send home a permission letter next week.

## **Star of the Week!**

This week's Star of the Week is Olivia. Well done, Olivia!

We hope that you have a good weekend.

Mary Seaman and Puffin Class staff.
