

Dear Parents

Many thanks to all in Parrots class for producing the posters inviting all students to the Larkrise Queen's Birthday Street Party. The party was a great success, the whole school ate in the playground with The Knock Down Boys offering musical accompaniment.

In the afternoon the children took part in a carousel of activities. Parrots organised a Pin the Crown on the Queen game for others to enjoy whilst they visited the other activities.

With best wishes for a happy and peaceful weekend.
