

Friday 17th June

Dear Parents,

Art Day

The children had a lot of fun experimenting with food during our messy art day. As it was a fine morning, we were able to use the courtyard outside Puffins' classroom. The children were able to choose different foods to mix together and handle. Here are some photos, including one showing the food materials before the activity started:

Cooking

We hope that you enjoyed the gluten free and dairy free cupcakes which we made this week. We will make some more cakes next week.

Larkrise School Website

Please remember to look at the Larkrise School Website now and again. We are often notified about out of school clubs and activities happening at weekends or in the holidays. These notices are put on the website here: <http://www.larkriseschool.co.uk/activity/activities-resources/>. You may find something that your child would like to take part in. Class newsletters are also posted on the website.

Raincoats

Please send in a light raincoat or jacket for your child in case of showers when we go out for our walk on Monday. Thank you.

Star of the Week

This week's star of the week is Olivia. Well done!

We hope that you have a good weekend,

Mary Seaman and Puffin Class staff.
