Headteacher – Mr Phil Cook

## **Adverse Weather Arrangements**

Dear Parents

We have been advised that snow falls are possible over the next couple of days. At present it is unclear whether this will cause any disruption to schools and/or transport. Please see the arrangements below:

### **Transport**

If it is considered unsafe to run school transport then Passenger Assistants will contact families as early as possible. If you are able to transport your child **to** and **from** school then please do. Any student unable to get to school will have their absence authorised.

### **School Closure**

Passenger Assistants will contact as above and a post will be put on the school website. School will also contact the radio station below:

BBC Radio Wiltshire

01793 513652

Email: [bbcwiltshire@bbc.co.uk](mailto:bbcwiltshire@bbc.co.uk)

Whenever possible we try to let parents know the night before a school closure. However, we can only do this if the weather forecast has a high degree of certainty and at present disruption is considered unlikely.

Regards

Phil Cook
