Dear Parents & Carers

On Thursday I attended a Motor Activity Training Programme course at Claremont School in Bristol .
The MATP has been developed by Special Olympics to engage young people who have profound, multiple and complex needs in meaningful sport-specific activities, appropriate for their abilities. It was a motivational day.

ALBERT

A poster for Red Nose Day. It features a man with a red nose and a microphone, wearing a white t-shirt with a dog's face and the name 'ALBERT'. The background is yellow. Text on the poster includes 'RED NOSE DAY', 'Friday 24 March', and a call to action to put it in a diary.

Have a lovely weekend.
