Where exactly has March gone?! 24/03/2017

Hello!

Now, call me crazy, but I'm pretty sure this month has absolutely flown by! They say time flies when you are having fun, which I'm pretty sure would signal a pretty successful term! Finches has been a wonderfully chilled and relaxed place to be whilst ensuring that we are all working very hard towards our goals and targets.

Monday saw some excellent swimming and solid work towards our targets. Connor was making brilliant use of the available space in the pool and did lots of moving around, which is great! In the afternoon, we were fortunate enough to watch a performance of "The Railway Children"...the children sat engaged for around 45 minutes and thoroughly enjoyed it!

Tuesday saw a trip to the shops and café to gather our cooking ingredients. Of course, we stopped there to have our snack! Tuesday afternoon was some music and yoga whilst I was busy during my PPA time. The children are enjoying their sessions with Aimee and are making good progress in music.

Wednesday morning saw some positive communication during our session as well as some impressive dance moves! We have got our sensory story totally sussed and Amy led most of the sessions with a little support, which means she has smashed her target! The children were able to anticipate the next sequence in the story. In the afternoon, we made some delicious savoury muffins in cookery!

Thursday was some fab maths and literacy as well as a very productive P.E session, with all children reaching their targets! Friday morning was our dance session, and Connor and James both did some amazing joining in! We then went to the café and enjoyed sensory room time. Have a great weekend!  
Cheers, Dan
