

BLUEBIRDS NEWSLETTER

Dear Parents & Carers

Friday 23 June 2017

This week has simply flown by.

We have had water play (to keep us cool!), a bottle forest to create a different environment, a wonderful walk through the jungle, a relaxing hand and foot massage, monkeys jumping on the bed, ducks on a pond, cause & effect galore and stories to surprise us. It's been a wonderfully whizzy week.

Next week is Sports week and on Wednesday there is a PSHE & PE focus day. Throughout the week there are various activities going on and we are really looking forward to joining other classes to enjoy them. Miss B is bringing her dog, Ceci, in on Wednesday and we can't wait to meet her.

Have a happy weekend. Mandy & Bluebirds team
