Dear Parents & Carers

What a fantastic week we have had.

On Tuesday there was a whole school trip to Longleat. We feared rain but thankfully it held off and a good day was had by all. We experienced the Jungle Cruise and Penguin Island as well as the general atmosphere of the place and all the gigantic insects we passed on our travels! The rose garden smelt wonderful and was a real sensory experience.

On Wednesday morning some of the Lower School went to a Rainbow Shower Event. The Youth Sports Trust, Fairfield College & Lavington School teamed up to give us a wonderful experience of clouds of colour and bubbles. We didn't do any

'racing' or get into any colour explosions but we did explore the dry soya paint and had mini cloud bursts & lots of bubbles

Yesterday we walked up to the Sensory Garden created by Swans class. It is really beautiful and full of amazing plants and hidden gems—such as a

hedgehog hotel, a water feature, some hand made tiles and colourful wellies full of plants. We loved it. I picked a bunch of sweet peas, lemon balm, chocolate mint and rosemary for the classroom, which smelt amazing.

Have a really lovely weekend. Mandy & Bluebirds team.

Special thanks to Bluebirds staff who worked so hard to make the trips run smoothly and especially to Sharon who did all the driving.
