

Bluebirds Newsletter

Friday 17 Nov 2017

Dear Parents & Carers

It's been an unusual week as we haven't had all our Bluebirds in. We send our good wishes to our classmates who haven't been at school and hope to see them soon. We went on our sensory walk yesterday and had a hint of what next week will bring..... it may include roaring fires, twinkling lights, soft snow and some joyous music!!

We have seen some good physio work happening and task work is well under way. There are some challenging tasks but I know the children try their very best and are always wowing us with their achievements.

Reminder: please send in any bits and bobs for the Romania Christmas bags. Thank you to those who have already donated.

Thank you for all the spotty clothes, and the donations for Children in Need.

Have a lovely weekend.
Mandy & Bluebirds Team

Unfortunately the hoist in the hydro pool has broken so we will be unable to use the pool until it has been resolved. 😞
