This Week in Puffin Class

This week we went to Tesco, so we were able to buy some supplies for the class.

This week's art

This week we made some firework prints (a bit late for Bonfire Night!). We used cardboard tubes with slits cut up the sides and splayed out to make a pattern like an exploding firework.

We chose a variety of bright paint colours for our pictures. Here are the children at work:

Chocolate Tombola at the Christmas Fayre

We continue to collect chocolate for our chocolate tombola stall. Thank you for your contributions so far. Thank you also to class staff who have donated some chocolate. We still need small bars and fun size bars which we can split up as smaller prizes. Last year we made about £180 pounds so hopefully we will raise a good sum again!

Thank you very much to Phoebe's parents, who have donated a lovely big teddy bear which we will use as a raffle prize alongside a Thornton's chocolate hamper (donated by Debbie).

New staff member

Next Friday a new member of staff will be starting work in Puffins. Her name is Dawn, and she will be with us while Sophie is supporting the new class.

Star of the Week!

This week's Star of the Week is Mia who will be able to take Ben, our class bear home for the weekend. Well done, Mia!

We hope that you all have a lovely weekend.
