

Toucans Newsletter

27/04/18

On Tuesday week Toucan class had a trip to the 'Pets at home' store in Trowbridge. The children had the opportunity to look at rabbits, hamsters and fish. The children explored the different types of food the animals ate. Louie was in his element as we know just how much he loves animals. Liam liked looking at the bedding for the cats and dogs.

They laughed when they saw a lady taking her guinea pig home in a basket on the front of her bicycle after she had visited the Vet.

On Wednesday some of the children went to Lavington School where they were learning cricket skills. The children learnt throwing, catching and batting. Ana-Maria was very good at catching a soft ball. Dontay and Charlie really enjoyed themselves and we were very proud of them

Could we have a spare set of clothes for your child
We are very short of spare under-pants and socks,
could you please return any clothing belonging to
the school please.

The Toucan Team
