Best wishes for a lovely weekend, - Gill, Caroline, Naomi, Julie, Claire / Hannah and our MDSA: Yvonne.
Don't forget to keep checking our school website for lots of info and links to useful sites.

Welcome to Hannah on our staff team

11.5.18

Wow what lovely and busy weekends you all had for the long hot weekend. Our young people really do like to look at photos of what they or their friends did. We shared our news briefly on Tuesday.

With much excitement a cage was revealed on Tuesday and Yvonne showed the students her gerbils. There was a lot of interest and great attention and communication. We enjoyed them so much, Yvonne has offered to bring in her bearded dragon.... And even has a snake she could bring in! Jo Burton will be bringing her dog in soon too.

Wednesday's yoga session was yet again much enjoyed and I am so proud to see our youngsters independently doing more and more...a hobby for life! We split into 2 groups for shopping some going all the way to big Tescos and some working on walking so went to Tesco Express.

We have also made birds/ butterflies, cooked cat treats

Making tuna thumb print biscuits for cats.

And practised saying no that's private for certain parts of the body.
Star of the week: Brandon for walking all the way to Tesco Express and back.

Next Tuesday Yvonne will be bringing in her bearded dragon lizard to class. We won't be handling it - just looking.

PLEASE can you remember if collecting your child from us at 3:30 we are trying to make the exit from school safer and easier by asking parents to stand to the far right (looking at front of building) of the front door and not in front of the buses. We will approach you to ensure the traffic out of the school is not restricted by us stopping in the traffic flow as it were. THANKS

What I have been hearing about ...

Please can you collect coloured bottle tops for an art activity we will be doing next week.

Also thank you for sending in batteries for our re-cycling project. School are collecting them—all sizes but not currently watch type ones.

"Learning about Autism with Suzie and Cruzie"

The book is aimed at primary aged children and their teachers, and encourages them to look out for children on the spectrum and help them and include them, when they can - every UK primary school will receive a copy.

See attached our new communication toolkit tip I have rolled out across school for May. All the others are still on the school website.
