Best wishes for a lovely weekend, - Gill, Caroline, Naomi, Julie, Claire and our MDSA: Yvonne. Don't forget to keep checking our school website for lots of info and links to useful sites.

Finches newsletter

Enjoy the bank holiday weekend everyone. 4.5.18

This week we have continued to experience activities focused on animals whilst we work on communication targets. The students have watched a funny but short animation about a bird and made models of birds with feathers.

They have also had the robotic guinea pigs out again and this time it was the story of "Oh no they got muddy running through the mud!"

In art we have pushed beads into hand shapes for butterflies and as normal our yoga asanas (poses) are all named after animals. We tried the lion breath this week.

In cookery we again made dog biscuits—turmeric and peanut butter ones....different smells and our hands went yellow.

We have also worked on knowing the names of private parts of the body and in circle time sang head shoulders knees...and then decide if we could touch parts of bodies or if they were private.

We met this lovely dog when at Pet shop.

Wows this week include: Reece for communicating his excitement about going to softplay and for doing his physio so well.* Tom for excellent work and trying hard on regulation of his emotions* Rhiannon for brilliant cookery* Brandon for good transitions and flexible thinking* James for understanding something was funny and brilliant signing and communication. Eg "Oh No!"

Star of the week: JAMES wow!

Next Tuesday Yvonne will be bringing in her Gerbils to class. We won't be handling them - just looking. She also has snakes at home...not sure about those personally!

What I have been hearing about ...

Please can you collect coloured bottle tops for an art activity we will be doing next week.

Also thank you for sending in batteries for our re-cycling project. School are collecting them—all sizes but not currently watch type ones.

Thank you for monies sent in for class funds to support snacketimes/ cookery.

From next week Claire our TA is going part time and we will be joined by Hannah for Mondays and Tuesdays. As you know Julie doesn't work Mondays and we have had cover from various TAs.
